Profile

A diligent and detail-oriented dental surgeon with hands on experience in various disciplines, including oral surgery, endodontics and prosthodontics gained during my house job. Committed to providing exceptional patient care, I am eager to leverage my clinical skills in a dynamic dental practice, where I can contribute to improving patient outcomes and continue advancing my expertise

Experience

HOUSE JOB, CHANDKA MEDICAL COLLEGE LARKANA – 2023-2024

During my one year house job, I gained extensive hands on experience across various dental disciplines, developing strong clinical, diagnostic, and patient management skills. I have become proficient in conducting a wide range of dental procedures, while adhering to the highest standards of hygiene and patient care. This experience has solidified my commitment to continuing professional development and providing exceptional dental care.

DENTAL SURGEON, TALHA MEDICAL CENTRE LARKANA – 2023

During this six month tenure as a dental surgeon at TALHA MEDICAL CENTRE LARKANA, I honed my clinical skills across various dental procedures and developed strong patient management capabilities. I was responsible for delivering comprehensive dental care, handling diverse caseload, and contributing to the efficient operation of clinic. This experience has further solidified my commitment to providing high quality dental services and continuously improving my practice.

INTERN, BIBI ASEEFA DENTAL COLLEGE LARKANA – 2022

As an intern at BIBI ASEEFA DENTAL COLLEGE LARKANA, I have developed strong patient care and diagnostic skills. My internship provided me a solid foundation in clinical dentistry and reinforced my commitment to delivering a high quality patient care.
