📅 09/09/1999 🧑 Male 🇵🇰 Pakistani 🏠 Single

## Profile

Dedicated and compassionate human with extensive experience in providing high-quality patient care. Skilled in diagnosing, treating, and managing a wide range of medical conditions. Committed to continuous learning and improving healthcare outcomes through evidence-based practices and patient-centered care.

## Education

2023	<b>MBBS,</b> <i>Shaheed Mohtarma Benazir Bhutto Medical University</i>	Larkana
2017	<b>Intermediate,</b> <i>Star Grammar School</i>	Naushahro Feroze
2015	<b>Matriculation,</b> <i>Star Grammar School</i>	Naushahro Feroze

## Professional Experience

07/2024 – 08/2024	<b>Medical Officer,</b> <i>Larkana Medical Centre</i> As a Medical Officer, I provided comprehensive patient care, managed emergencies, supervised staff, and maintained accurate documentation. I collaborated with multidisciplinary teams, ensured regulatory compliance, and engaged in continuous learning and quality improvement efforts.	Larkana
07/2023 – 06/2024	<b>Housejob,</b> <i>CMCH</i> <b>Orthopedics</b> 3 months of observing and assisting various minor and major procedures like I&D, amputations, orthoscopy, implant removal, arthroplasty i.e. THR and TKR. I carry experience of managing traumatic emergencies, and RTA cases. Worked well in a team setting, providing support and guidance. I was declared <u>Best House Officer</u> during our rotation. <b>General Surgery</b> 3 months experience in General Surgery ward, self-motivated, with a strong sense of personal responsibility. During the tenure I observed and provided pre and post operative care to patients and assisted in many cases with consultants in elective and emergency cases like Laparotomy, Herniotomy, Cholecystectomy (Laparoscopic and Open) and Appendectomy etc. Independently performed procedures like nail extraction, lump and cyst excision.	Larkana

### **Cardiology (NICVD Lrk)**

2 months experience of managing cardiac emergencies of all sorts. Proven ability to learn quickly and adapt to new situations. Observed and provided management of variety of cardiac presentations like Myocardial Infarction, Hypertension, Angina and Acute chest pain.

### **Emergency Medicine (Casualty Lrk)**

1 month of polishing clinical, communication and interpersonal skills. Improved at working independently and collaboratively in a team environment. I have handled various emergency cases, ranging from poisoning, snake bites to DKA, HONK, stroke and more.

### **General Medicine**

3 months of serving in routine OPDs, took histories/vitals and carried out examinations. Management of out-door as well as admitted patients ensuring exceptional patient care and optimal outcomes. I have experience in dealing with all sorts of infectious diseases, epidemic/endemic diseases including malaria, Typhoid, CLD, GERD, and all medical emergencies.
